

Transitions™

light intelligent lenses

Lesson #1

Style
+ protection
+ savings
= everyone's new
favorite glasses

This year, send your child back to school with *Transitions Signature* lenses that block 100% of UV rays and reduce exposure to harmful blue light indoors and outdoors.

Lesson #2

Indoors, *Transitions* lenses filter harmful blue light from artificial sources such as digital devices and LED lights. Outdoors, they reduce exposure to the sun's harsh glare, harmful blue light and UV rays.

Lesson #3

The stylish and smart adaptive *Transitions Signature* lenses pair with nearly any frame and provide the ability to personalize style. And the exclusive *Chromea7™* technology helps keep *Light Under Control™*.

*Complete pair purchase required (frame and lenses) for children ages 16 and under.

**Both pairs must be for same customer and prescription. Additional charges may be applied for some specialty lenses, lens options, and strong Rx. Frame selection may vary by location. Cannot be combined with other offers, vision insurance or prior orders. Not valid at Nationwide Vision inside JCPenney stores. For current offers at these locations, visit nationwidevision.com. Offer expires 9/30/2018.
